## The Cub Scouting Program

The Cub Scouting program is a year-around program that boys can join at anytime. It's flexible enough to work with other programs that boys may also be involved in.

### Tiger Cubs (1st Grade)

Oriented to boys and parents.

Work on big ideas to search, discover, and share.

Objectives: Prepare family for Cub Scouting.

Boys and parents work one on one with other families.

### Cub Scouts (2nd & 3rd Grades)

Family centered program. Boys meet regularly in small groups to work on projects. Learning is achieved through an advancement program. Uniforms, badges, games, sports, fun!

### Webelos Scouting (4th & 5th Grades)

Begin outdoor experiences.

Boys meet regularly with adult leaders.

Learning is achieved through a hobby and life skills program called activity badges.

## Volunteerism at Its Best

Supported by minimal staff, the Southern Shores Field Service Council, Boy Scouts of America is run thanks to the generosity of thousands of volunteers. Getting involved as a volunteer makes a great impact not only on the quality time you have to share with your child, but also enables you to teach by example. Scouting is designed to help even the busiest person get involved. If you have one hour a month or one hour a week, the Scouts have something for you. Don't be shy — volunteer today for your children's sake.
